### CREDENTIAL REQUESTS

In order to qualify for a credential, an applicant must represent the recognized news organization requesting credentials. Please contact Leann Parker, athletics communications director, for information on how to apply for single game or season credentials.

### CREDENTIAL PICKUP

Credentials may be picked up at the media entrance on the north side of the Schottenstein Center (Door 1212) two hours before the game.

### VALUE CITY ARENA PRESS BOX

All media should enter the arena through the media entrance (Door 1212) only. The Value City Arena press box is on the north side of The Jerome Schottenstein Center. After picking up credentials, head north in the main concourse to the press box elevator. An attendant will direct you to the press box from there.

### PARKING PASSES

Media parking passes are available on a single-game and season basis. Contact Leann Parker for information on parking passes. Members of the media should park in the lot directly west of Value City Arena. Facility parking attendants will assist you in finding the lot.

### PHONE LINES/WIRELESS ACCESS

Those members of the media wishing to order their own phone lines can do so by calling University Phone Services at 614-292-8648 (at least one week in advance). Two phone lines in the press box and a number of lines in the media room on the arena level also are available for general use by the media. There is a reciprocal phone line for one visiting radio station.

See Leann Parker for information on connecting to the wireless network.

### GAME NOTES AND LINE CHARTS

Ohio State and opponent line charts and game notes are available in the press box two hours before faceoff. Conference notes and standings also are provided. Shot charts and box scores are distributed at the end of each period, with a final book produced postgame.

### PHOTOGRAPHERS

For photographers, there are camera cut-outs in the northeast and northwest corners of Value City Arena, with a sign-up sheet located in the press box (on a game by game basis). Additional still photographer locations are located on the arena level through the glass. Please be advised, flying pucks can be dangerous. Enter the photography areas at your own risk. Please see Leann Parker for any questions about the photography areas.

### ROAD REQUESTS

Please direct all credential requests for Ohio State's road games to the host school's sports information director (see opponent information).

### PRACTICES

The hockey team practices in Value City Arena and at the OSU Ice Rink. Practice times vary according to academic schedules, contact Leann Parker for specifics.

### WEEKLY INTERVIEWS

Head coach Steve Rohlik and his staff can best be reached during the morning hours, when in town, in the men's hockey office at 614-292-0820. Media wishing to conduct interviews with student-athletes should contact Leann Parker. Please call at least one day in advance to allow setup time. One day a week (typically Wednesday) before or after practice usually is reserved for the media.

### POSTGAME PROCEDURES

The Ohio State locker room is closed to the media. At all home games, the postgame interview format will be as follows: after a 10-minute cooling off period, the visiting coach and any requested players will be escorted to the interview room, located in the southeast corner of the arena level in Value City Arena. After all visiting interviews are completed, Buckeye head coach Steve Rohlik and requested Ohio State players will report to the interview room.

### WEEKLY RELEASE

The easiest way to access Ohio State hockey releases is online at OhioStateBuckeyes.com, where the text can be read on the site and a PDF file is available. Members of the media can receive Ohio State hockey releases by e-mail by signing up for the Big Ten media distribution list.

## STEVE ROHLIK HEAD COACH

SECOND SEASON, WISCONSIN '90

Steve Rohlik, who was named the ninth head coach in Ohio State men's hockey history in April 2013, is in his third year at the helm of the program. He spent three years as the Buckeyes' associate head coach and has more than 17 years experience as a Division I coach. During his career, Rohlik has recruited and/or coached two Hobey Baker Award winners, 14 All-Americans, including Buckeye goaltender Brady Hjelle in 2012-13 and forward Ryan Dzingel in 2013-14, and nearly 20 players who have reached the NHL. He has a career and Ohio State record of 32-33-8 entering 2014-15.

Rohlik's first season at the helm of the Buckeyes (2013-14) also marked the first year of men's hockey as an official Big Ten Conference sport. He led the team to a spot in the Big Ten Tournament championship game, with an overtime win in the quarterfinals vs. Michigan State and an upset of No. 1-ranked and top seed Minnesota in the semifinals. The squad was 18-14-5 overall in 2013-14 and finished fourth in the Big Ten with a 6-9-5-4 ledger. In his second year, the Buckeyes (14-19-3, 8-11-1-1 B1G) ended the season strong, going 7-4-1 in the last 12 games, and reached the conference tournament semifinals.

Rohlik joined the Ohio State staff in 2010 after 10 seasons on the coaching staff at Minnesota Duluth (2001-10) where the squad advanced to two NCAA tournaments, including a Frozen Four appearance in 2004, and won the 2009 WCHA playoff title. He was part of the staff that put together the roster of the 2010 NCAA Championship squad.

Rohlik coached three seasons at Nebraska-Omaha, joining the program for its inaugural season in 1997-98. In the team's first year as a member of the CCHA (its third year as a Division I team), the squad advanced to the 2000 CCHA Championship final. He joined the Minnesota Duluth staff after three years at Nebraska-Omaha, beginning in its inaugural season of NCAA Division I hockey in 1997.

Rohlik spent five years as the head coach at Hill-Murray High School, his alma mater, in St. Paul, Minn., posting a 107-20-1 ledger and leading the squad to two Minnesota State High School Tournaments, including a runner-up finish in the 1993 Tier I event and fourth place in 1997 Class AA before joining the UNO Mavericks. He also served one-season assistant coaching stints at Wisconsin (1990-91) and Stillwater High School (1991-92).

A native of St. Paul, Minn., Rohlik is a 1990 graduate of Wisconsin. A four-year letterwinner for the Badgers, he wore the captain's C in both 1989 and 1990. He was a senior on the squad that won the NCAA title, as well as the WCHA regular-season and tournament crowns, and was named the WCHA Tournament MVP that season. The team qualified for the NCAA tournament each of his last three seasons and also captured the 1988 conference playoff championship. Rohlik skated in 166 games for Wisconsin, scoring 34 goals and adding 47 assists for 81 points, and received the team's Fenton Kelsey, Jr. Most Competitive Player honor in 1990. He was an eighth-round selection by the Pittsburgh Penguins in the 1986 NHL Entry Draft (No. 151 overall).

Rohlik graduated from Wisconsin in 1990 with a bachelor's degree in communications/journalism. He and his wife, Julie, have two daughters, Erin and Annie, and a son, Grady.

In 2005-06, Exter served as an assistant coach for American International College where he was responsible for recruiting, defensive coverage and special team strategy, along with development of the defensemen and goalies and game film evaluation. ## LEGEND

• Central Collegiate Hockey Association (CCHA)  
Game

\* Big Ten Conference (B1G) Game

(SW)/(SL) - shootout win/shootout loss. In 2008-09 the CCHA implemented three-round shootouts to determine winners when conference games are tied after regulation and a 5-minute overtime. The Big Ten began using the shootout when the league started in 2013-14. In seasons where the shootout was implemented, the conference record indicates W-L-T-SW.

# VALUE CITY ARENA

## IT WASN'T JUST ANY FACEOFF...

Jan. 2, 1999, 7:08 p.m.

As Hugo Boisvert lined up across from Michigan's Bobby Hayes on Jan. 2, 1999 and swept the puck to his left, it marked more than just the beginning of a typical CCHA Saturday night game.

It wasn't just any goal.

When Chris Richards ripped a slapshot from a near impossible angle past Michigan's Josh Blackburn, it was more than merely one of the 100 points he scored in his career.

It wasn't just any crowd.

With over 17,000 tickets sold for the game, fans braved the worst snowstorm of the year – one that nearly shut down the city of Columbus – to help blow the roof off.

At 7:08 p.m. on Jan. 2, 1999, the official scorer didn't write down the start time of a new game. He wrote down the start time of a new era.

The determination, desire and hard work of hundreds of people came to fruition in January 1999 when the Ohio State hockey team played its first game in the finest collegiate hockey facility in the nation – Value City Arena.

The 2011-12 season marks the 11th year the Buckeyes will play their entire home schedule in Value City Arena. In its first season, Ohio State played its final 12 home games in the arena, as construction of the facility was completed in the fall.

Home to the Ohio State men's hockey team as well as the OSU men's and women's basketball teams, the \$105 million, state-of-the-art sports and entertainment complex serves as a prominent and fitting gateway to the Ohio State University campus. Integrated into the campus architecturally, the center contains three tiers of seating and more luxury suites than any other university arena. It is the largest collegiate hockey facility in the nation and hosted the 2005 NCAA Men's Frozen Four, the first time it was played in an on-campus arena since 1983.

Value City Arena features an ice surface of NHL dimensions (200' x 85') and also houses the Ohio State hockey coaching offices. The Buckeyes enjoy the comforts of one of the finest hockey lockerrooms in the United States, featuring study areas, a players lounge and entertainment center, individual lockers with maple wood trim, a state-of-the-art sound system and the most advanced air filtration system available.

The facility is more than 10 stories tall. Value City Arena also was the first university arena to contain an exclusive donor area – the Huntington Club – which provides an elegant setting for Ohio State hockey luncheons, banquets and other functions.

Upon entering the facility, it becomes apparent aesthetics was at the forefront of the designers minds. Value City Arena is the only collegiate facility in the United States that includes beautiful terrazzo floorscapes. Designed by internationally recognized artist Alexis Smith, terrazzo is a combination of colored stone set in different pathways and channels to form a floorscape. Six total floorscapes were created in the building – one in each of the four rotundas and two additional on the east side of the building. The hockey floorscape combines features from four OSU hockey players – Paul Pooley, Mike Rousseau, Jamie Crapper and Benji Wolke. Terrazzo also was used to floor the concourses and restrooms in Value City Arena. In all, more than 70,000 square feet of terrazzo was used at a cost of nearly \$2 million.
